

# Stack on & plug in

## Accelerating rural businesses through nano-grid electrification

### Our Initiative

Rural economic empowerment through access to reliable electricity.

### Our Approach

Rural electrification with nano-grids

### Our Technology

Swiss-developed Powerblox PBX-200, a swarm battery technology designed for rural off-grid energy solutions

### Our Achievements

**JOBS CREATED**

**49**

**WORK FORCE SIZE**

**78**

**FEMALE WORK FORCE SIZE**

**36**

**Co2 SAVED PER MONTH**

**4.08KG**

**PBXs INSTALLED**

**87**

**LOCATIONS**

**49**

**COOPERATIVES**

**2**

**PUBLIC INSTITUTES**

**7**

**MSEs**

**15**

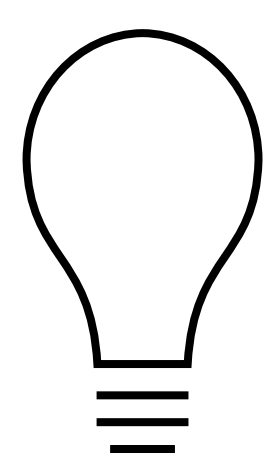

**REVENUE STREAM**

**10x**

**531**

LAMPS

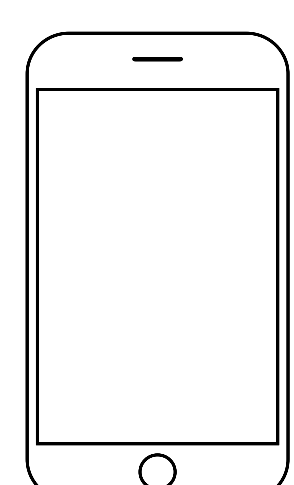

242 for own use  
289 for income generation

**1013**

MOBILE PHONES

Charged per day
